

## REGISTRATION FORM

***“The Gift of God’s Creation: An Environmental Education  
Workshop for Young Children”  
Co-led by Dale Hadler & Mary Kaye Ashley***

**Saturday, May 15, 2010  
9:00 AM - 3:00 PM**

Designed to help Christian Educators of young children develop resources, projects, and techniques to help children develop a deeper appreciation of God’s natural creation. This workshop will introduce participants to resources and ideas that can be used in Christian Education settings, including opportunities for guided discussions regarding potential problems/possible solutions that may arise when introducing young children to God’s creation and practical activities, such as age-appropriate classroom projects and learning activities at a neighborhood lake and restored prairie located on the grounds of United Theological Seminary. As part of the workshop will be outside, please dress comfortably for the weather and short walks.
